The 1956 MERCURY ANNUAL is dedicated to Miss Rachel Skinner, who for many years brought honors to Riverside through her outstanding work with budding artists.

Miss Skinner's sincerity and patience make it easy for students to work with her. Her inspiration has prepared these pupils for an appreciation and enjoyment of art as a career or as a hobby.

The extra time and energy that Miss Skinner put into the art club and school plays and programs helped to make each a success.

Before coming to Riverside in 1921, Miss Skinner taught in Champaign, Illinois, and Madison. During her summers, she studied extensively, taking art courses in Massachusetts, Colorado, New Mexico, Montana, Maine, and many other states.

Although Miss Skinner retired last year, the work that she has done will remain in the minds of the students and faculty of Riverside.

It is with great pleasure that the 1956 MERCURY staff dedicated its annual to an inspiring teacher, Miss Rachel Skinner.

To a redhead,
I first met you when I filled
my gym class, when you got in
so hot! Things did
Best wishes

SENIOR PROJECT

Ken Haeberle, Terry Kelsey, George Wiese, Ray Sherman, Jane Rice, Gil Sutherland, Pres.; Joe Sutter, John Fier, Dick Phillips, Kaye Rivette, Joan Cammack, Sec.

The Senior class project is the Honor Study Hall. One privilege which Riverside students will always be proud of is the Honor Study Hall System. This organization is to aid the students in practicing self-control and learning respect for others. A great portion of the success of this system is due to the hard work of Miss Henry and the Honor Study Hall Board.

JUNIOR PROJECT

The juniors are responsible for keeping students out of the halls during the noon hour. The sponsor of the junior project is Mr. Engen.

Captains: Alice Berger, Dave Gennrich, Donna Christiansen, Lawrence Kraft.

SOPHOMORE PROJECT

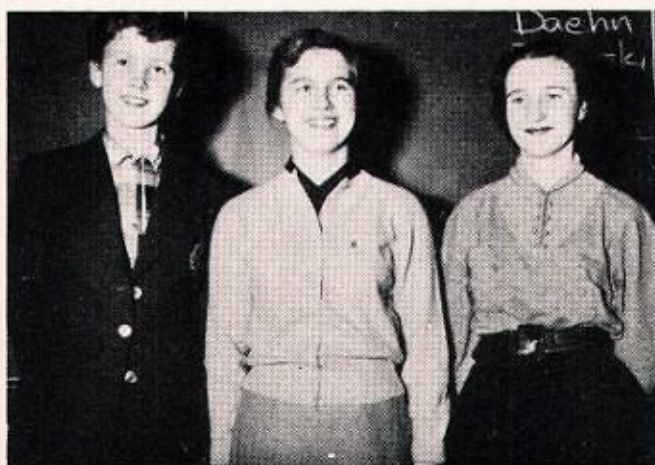

The sophomores have as their project the duty of maintaining proper conduct in the halls during the time classes are in session. They also check lockers to see that they are locked. This project is under the guidance of Mr. Otto.

FRESHMAN PROJECT

The Freshman class project is the Lost and Found, sponsored by Mrs. Henninger. Articles are turned in or claimed at any time during the day.

STUDENT COUNCIL

Sharon Petersen, Vice-Pres.; Gail Hoffman, Pres.; Tina Smith, Sec.

The Student Council is our student governing body composed of one or two representatives from each homeroom.

Student Council had several projects this year. One of them was Senior Day, the day on which seniors teach the academic subjects of their choosing. Also, there were freshmen programs, which introduced the freshmen to the activities of Riverside.

The most important project that Student Council completed was the rewriting of the constitution. For this, we would like to give credit to the committee that worked hard to complete this project, and also to take this opportunity to express our appreciation to Mr. Draves for his advising.

SERVICE CLUB

The purpose of Service Club is to help students who are having difficulty with their subjects because of long absence or lack of understanding. These students are voluntarily tutored by classmates who are on the honor roll. Under the direction of Mr. Hafey, the club has again proved itself to be very beneficial to the school.

Mary Bellis, Pres.

ORIENT-CRESCENT

Julian Rice, Vice-Pres.; Martin Bach, Treas.; Glenn Miller, Pres.

Orient-Crescent is one of the clubs in school that is especially agreeable to those students who like to argue. Coached by Mr. Ashford, the club has debates and discussions on current events. Besides satisfying the want for entertainment, Orient-Crescent helps its members to think logically, speak clearly, and overcome stage fright.

STAGE CREW

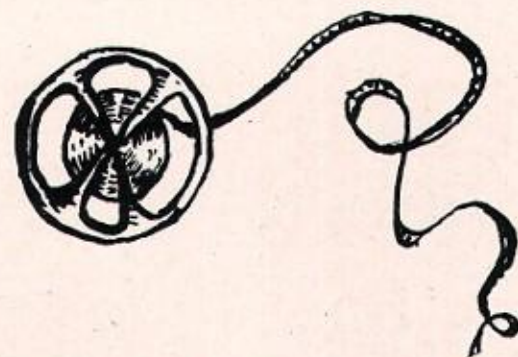

ROW 1: Lance Vilter, Brian Larson, Arlene Vasko, Sec.; Jim Snavey, Gerald Moss.

ROW 2: Nick Tsorris, Charles Collins, Bob Miles, Jim Hoelter.

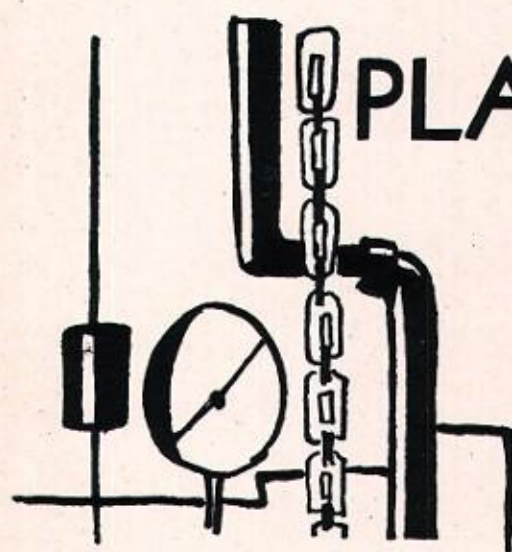

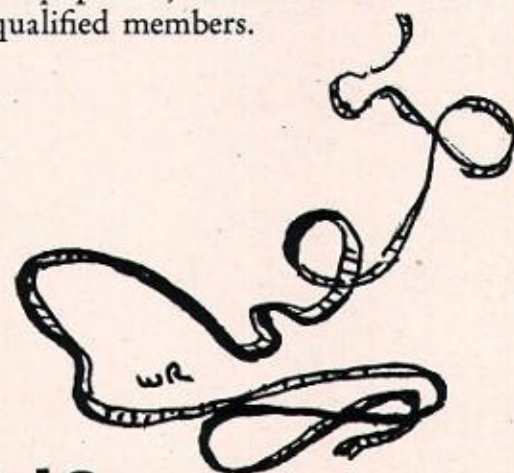

Whenever the student body is sitting back and enjoying an auditorium program, the stage crew is backstage — working. This organization is responsible for setting up equipment, adjusting lights, and building sets for plays. A great deal of thanks should be extended to these boys and their adviser, Mr. Nicolai, for their many, many hours of fine work.

MOVIE CREW

Under the direction of Mr. Raynes, the audio-visual department carries on an extensive program of showing films and slides for classrooms and auditorium community singing. The group is set up so that each class held during the day will have a member of the movie crew ready to be of service. The movie crew also handles tape recorders and phonographs. To handle the audio-visual equipment, the club has over fifty qualified members.

Gerald Slauson, Richard Paulini, Geraldine Fogarty, Ralph Niggemeier, Mr. Raynes, Robert Byrd, Herbert Wilson.

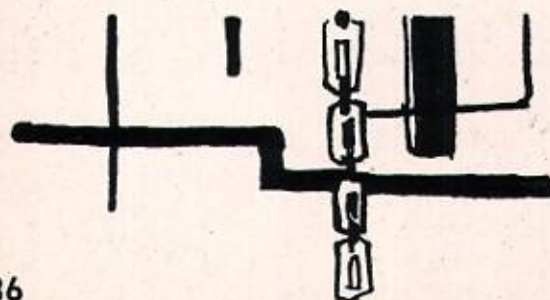

PLANT OPERATIONS

Our school's janitorial staff is composed of eight hard-working people. Under the direction of Mr. Bruss, they are responsible for all minor repairs as well as the constant job of cleaning. The whole school appreciates the fine job these people are doing.

ROW 1: Lillian Rekowski, Joe Sansone, Lillian Kraus.
ROW 2: Joe Krurkar, Arthur Gutzmann, Ernest Peschel, Wallace Bruss.

HOME ECONOMICS

Barbara Tomeoni, Pres.; Averill Fryer, Vice-Pres.; Pat Jawarski, Treas.; Pat Stanizewski, Sec.

The social functions of the club consist of a mothers' tea, faculty teas, and parties for the members. This club does a wonderful job in providing a girl with the proper background for homemaking. Miss O'Neil and Mrs. Shoquist act as advisers for the club.

The meetings consist of demonstrations by professional people on cooking techniques. Field trips also make up one phase of the many activities. This year the girls were taken through the Columbia Hospital dietary department and Klode's furniture store. The Honor Dinner, sponsored by the club, is their big project.

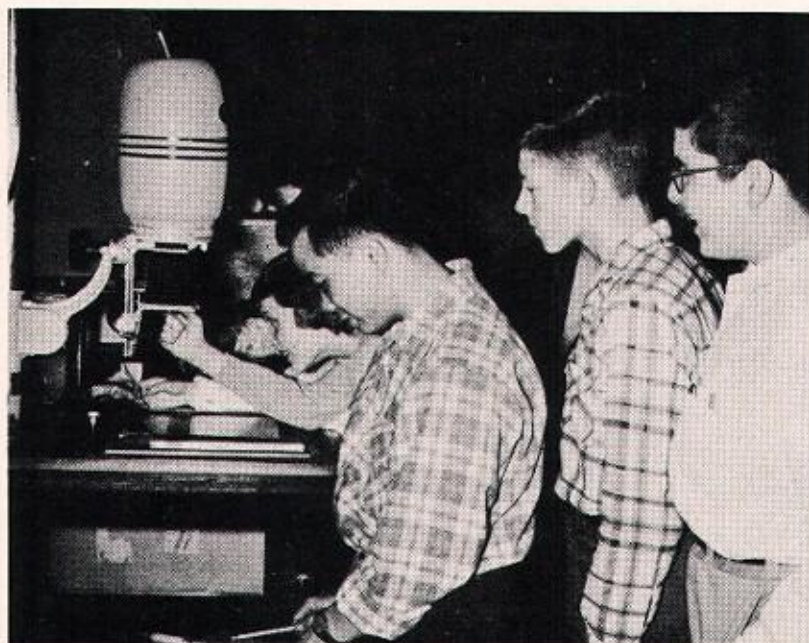

CHESS CLUB

Chess Club's first season was a successful one because the team defeated Boys' Tech, the city champions, and three other top flight city teams. The city championship was unofficial, however, since this was Chess Club's first season. Although the club is no longer active at Riverside because Miss Roemheld is no longer one of the faculty, we feel that this unusual success deserves recognition.

PHOTO CLUB

Joanne Marsh, Sec.; Ron Westphal, Pres.; Pat Dibble, Vice-Pres.

Photo Club, under the guidance of Mr. Otto, is an ideal opportunity for our amateur photographers. Techniques and skills in the work of photography are discussed and studied at the meetings.

The students are now participating in a science workshop provided for further advancement in the technical aspects of photography.

Kv

ART CLUB

This year besides the usual job of scenery and backdrops for the various programs, Art Club has had other activities for its members. Under the new advisor, Mr. Burns, they had a sale of enameled jewelry and worked with silver.

FOREIGN LANGUAGE CLUBS

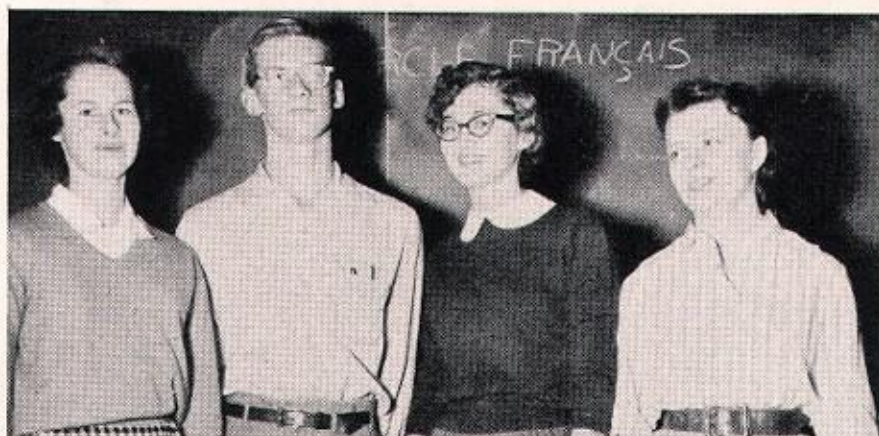

Under the guidance of Mrs. MacKedon, Latin Club has completed its first full year of activities.

The main project of the year was making scrapbooks to send overseas. The members of the club thought our friends abroad needed a truer picture of American life, and so each of the five Latin classes put together a book depicting our daily life.

The bi-monthly meetings are interesting and varied, often with modern day activities and television programs, such as "What's My Line" and "Juvenile Jury" adapted to Roman times.

Ray Sherman, Consul; Joan Baker, Quaestor; Frank Lovrien, Aedile; Betsy Sutton, Aedile; Dick Phillips, Consul

Sally Hanks, Sec.; Dick Deming, Sgt.-at-Arms; Donna Christensen, Pres.; Carol Donohue, Treas.

"Se abre la sesion porfavor!" These are the words used to call a meeting of Spanish Club to order. In the bi-monthly meetings plans are made for their projects and entertainment follows.

This year the members planned and carried out a very successful tiger campaign to raise money for our foreign students. The cute tigers were sold to add to our homecoming celebration.

Other projects included a pinata for the Foreign Language Christmas Program, a joint Christmas party with French Club, and to end up the year, a variety show and party for all the members.

Nancy Ripley, Treas.; Nancy Dobbratz, Pres.; Jean Grapp, Sgt.-at-Arms.

Monika Goehr, Sec.; Kathy Holt, Pres.; David Gennrich, Treas.; Maija Bedelis

At their meetings, French Club has had interesting entertainment and has accomplished much in the way of school service.

Their annual flower sale was again successful. The money they made will help pay the expenses of our foreign students. By sponsoring the foreign students, this club is doing a service to the school and to all the nations of the world.

During the year, they sent Care packages overseas and took part in the Foreign Language Club Christmas Program. Our congratulations to the French Club for a fine year. The club's energetic advisor is Miss Dunaway.

In their first year of activities under the direction of Mr. Pleister, the members of German Club held several interesting meetings and took part in the Christmas program.

The club meetings are conducted entirely in German, which gives the members a chance to use the language and have fun at the same time. German songs, skits, and games are often on the program. All members are at least second year students and have B averages.

An entertaining skit with accordion music was their contribution to the Foreign Language Christmas program.

The June class of 1956 can be proud that one of its members, Bob Irving, organized the school newspaper. Because Bob felt the need for a publication, the *Riverside Rocket* was born in 1955.

The Rocket was published every three weeks by a staff made up of freshmen, sophomores, juniors and seniors. In the beginning, nobody knew much about printing a newspaper. Each of the four page editors received his basic training by trial and error.

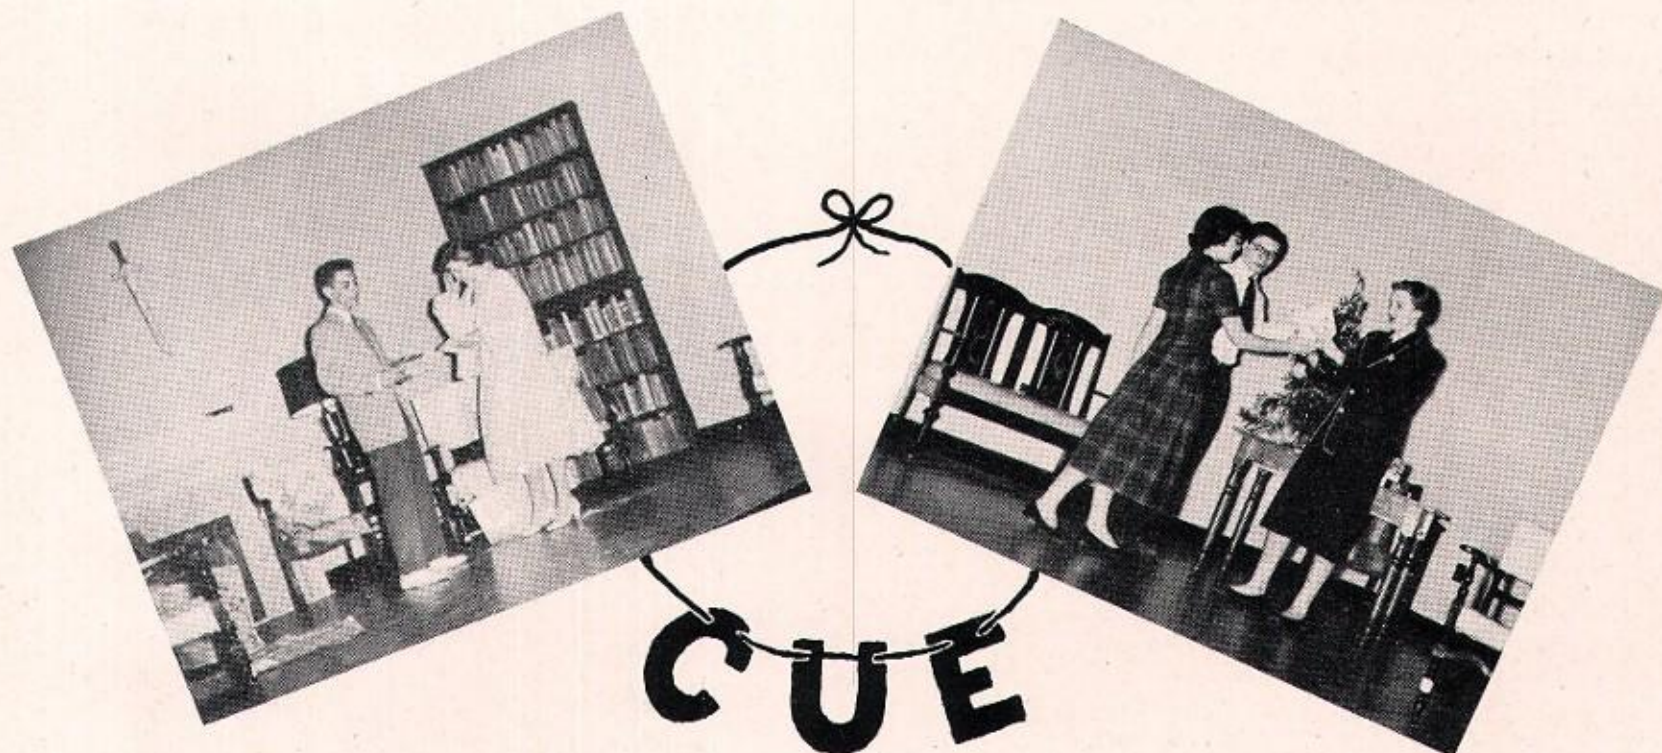

Now, after being in existence for only two years, the *Rocket* is truly an important part of Riverside. The newspaper is especially indebted to the fine help of the advisers, Mr. Bredel, Mr. Hesselbrock, and Mr. Moehring.

"Allah Allah!" No, you are not in old Arabia. You are at a Cue Club initiation ceremony. The new members, having passed the tryouts in which they read a poem and acted out a pantomime, must bow to all old members and obey every command of the Cue Club president.

The club is limited to sixty members and all those who have a part in the Junior-Senior Play. Every year a play is chosen for entrance in the Forensic contest and Cue Club members are eligible to try out for parts. Cue Club is under the direction of Mrs. Adams, Mrs. Anderson, and Mr. Holmes.

PROM

NEPTUNE'S NESTLE

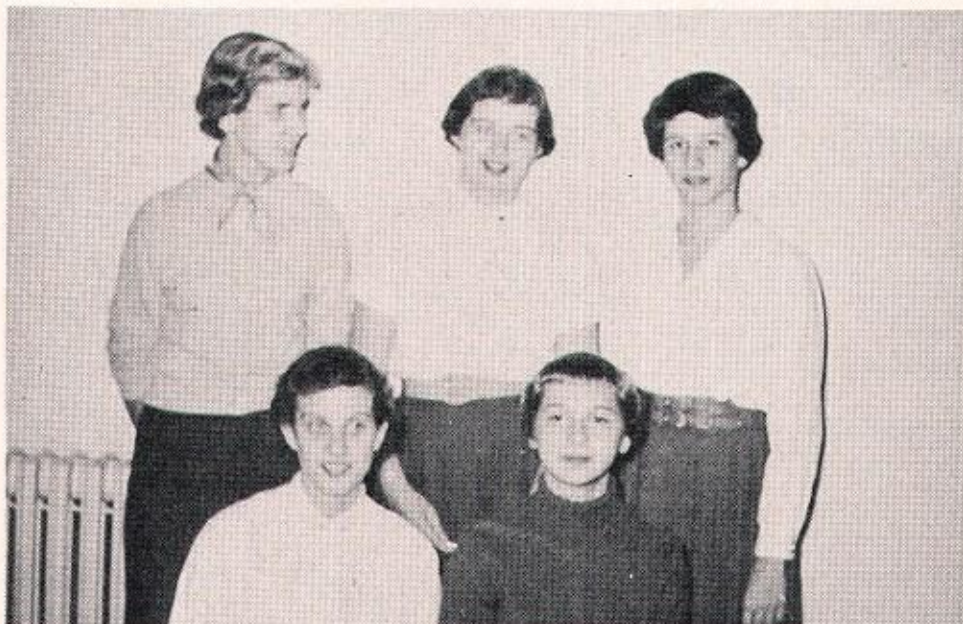

Ray Sherman, Linda Bell, Stan Golec, Sharon Petersen, Grace Henzl, Queen; Don Fliss, King; Toni Roselli, Joe Sutter, Betty Walters, Bill Kadlec.

A wonderful evening of fun and gaiety was enjoyed by all who attended Riverside's annual spring prom, "Neptune's Nestle." Grace Henzl and Don Fliss reigned over the dance as prom king and queen. The music was provided by Steve Swedish. An atmosphere of an underwater kingdom was created through the use of fish nets and deep sea plants and animals. This was truly an evening to be long remembered.

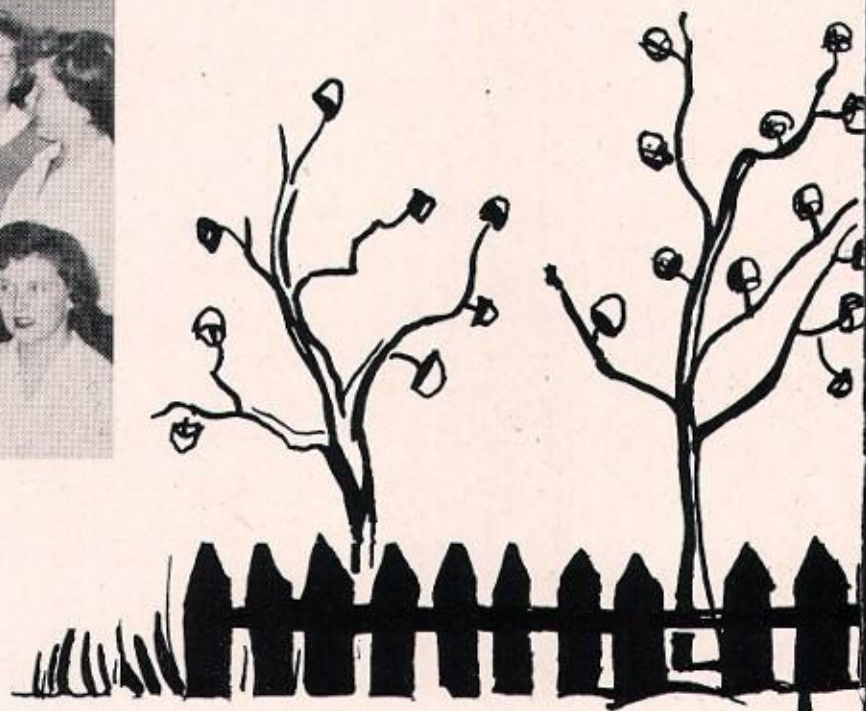

ALLEN CLUB

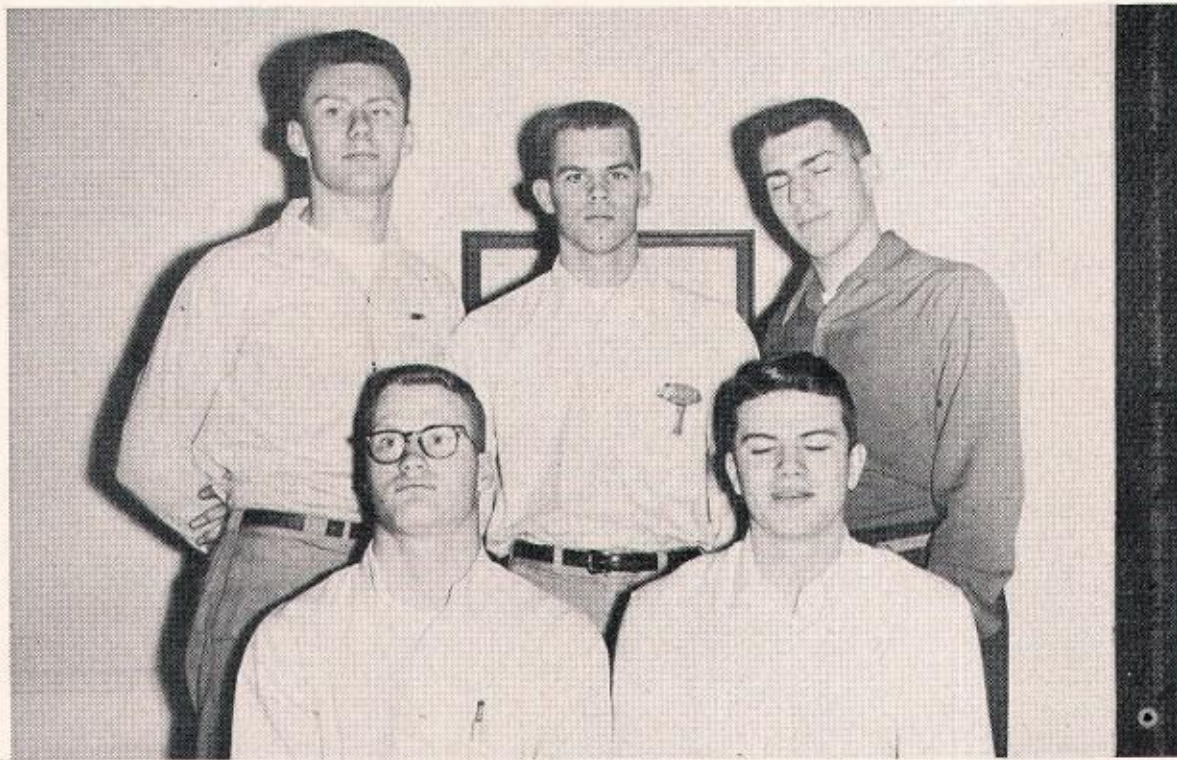

ROW 1: Linda Bell, Pres.; Elaine Wolff, Inter Club Rep.
ROW 2: Sue Schroeder, Sec.; Sally Wager, Treas.; Nancy Schaffter, Vice-Pres.

Allen Club is one of the many Y-Teen functions which have been organized throughout the United States and other countries. Our Allen Club, under the direction of Mrs. Boltz, holds an Annual Allen Club Dance. This year the dance was entitled "Lollypop Lane." Other special events of the year included a progressive supper held during the Christmas holidays, the Mother-Daughter Tea, a week-end at Camp Genessee, the World Fellowship Supper, and a Good Friday Breakfast. Triangle is a branch of Allen Club for juniors and seniors. The girls have a pot luck supper about twice a month. All the girls who participate in the club's activities have a lot of fun and look forward to the week-end at Genessee in the spring.

HI-Y

ROW 1: Larry Gregg, Sec.-Treas.; Dave Longbrake, Vice-Pres.

ROW 2: Ray Sherman, Vice-Pres.; Jim Mortonson, Pres.; John Walsh, Chaplain.

Hi-Y, one of the most active boys' club at Riverside, is affiliated with the Y.M.C.A. During Christmas vacation, our boys participated in an elimination basketball tournament between other Hi-Y clubs.

One of the high spots of their program this year was the Hi-Y formal in which a queen, Pat McAllister, chosen by lots, was presented with a bouquet of roses. There was a bowling party in February and a splash party which was held in March. The boys also acted as ushers at various churches for the Good Friday Services.

Hi-Y helps the boys to prepare for the future by allowing them to hear talks on good grooming and dress. An informative panel discussion on "Dating Etiquette" was given jointly with Allen Club.

An annual is a book that should help you to re-live your days at Riverside. This year's Mercury staff has worked hard so that the yearbook will fulfill this requirement. Of course, the staff could not have done well without our very able and willing advisors, Mr. Purin, art; Mr. Bredel, business; Mr. Otto, photography, and Mr. Hesselbrock, literary. Many thanks to the student body for enabling us to obtain our goal of 1200 copies of the "Merc."

GAENSLEN

GAENSLEN

Gaenslen, a school for students who are handicapped, is our "sister school." Their school day begins at nine o'clock in the morning and ends at two forty-five o'clock in the afternoon. Because their day is short, they do not have as many activities as we do, but the activities which they do have are similar to ours.

Their main club is a service club. The members of this club help with the Christmas play and do other useful things in the school. Another activity enjoyed by the students was the Halloween party.

During the noon hour, the students play records. Photography is of great interest to many Gaenslenites. They become experienced in the use of cameras by taking pictures of school activities.

Each year Gaenslen's graduating seniors take part in Riverside's commencement exercises. The school is located at 1301 E. Auer Avenue.

By sponsoring various activities, some of which include Pigtail Day, Mothers' Tea, maintenance of the infirmary, and the Athletic Dinner, Cam attained its goal. Along with Cavaliers, Camaraderie also sponsors the Football Hop, the Prom, and the joint meeting of Cam and Cavaliers. With the constant help of advisors Mrs. Mathoiwetz, Miss DeMarsh, Miss Zeman, Miss Patti, Mrs. Schumacher, and Mrs. Seitz, Camaraderie had another successful year.

Riverside's largest boys' club, Cavaliers, completed another very successful year. Under the guidance of Mr. Procknow, Cavaliers sponsored the Thanksgiving Basket project and were co-sponsors of the Football Hop and the Spring Prom.

This club is open to every boy at Riverside who wants to be of service to his school and at the same time, really enjoy himself.

Coach Potter

Varsity Mgrs.: Pat Moore, Frank Lovrien. Not Pictured: Dave Mellencamp, Bill Zastrow.

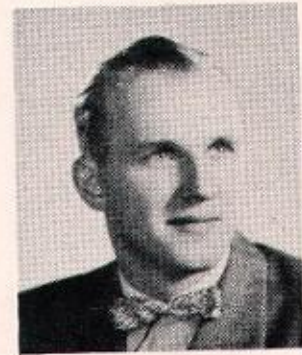

Sparked by several fast backs and a good line, the gridgers finished in first division. The final standings showed the Tigers in fifth place with four wins in eight games.

School spirit had been building up for nearly a year when East met the Redmen from West in the opener. Terry Kelsey's golden toe made the final score East 7, West 6.

After losing four straight games, the Orange started on the rampage. Custer was swamped in the rain 32-13 for a homecoming victory. South fell 21-0, and the Tigers won the Art Krueger trophy for the third successive time. A 13-7 win over North ended the season in a blaze of glory.

Guard Gil Sutherland was elected to the all-conference squad by the coaches and players throughout the city. Tackle Bill Kadlec and end Joe Sutter were elected to the second string all-city teams.

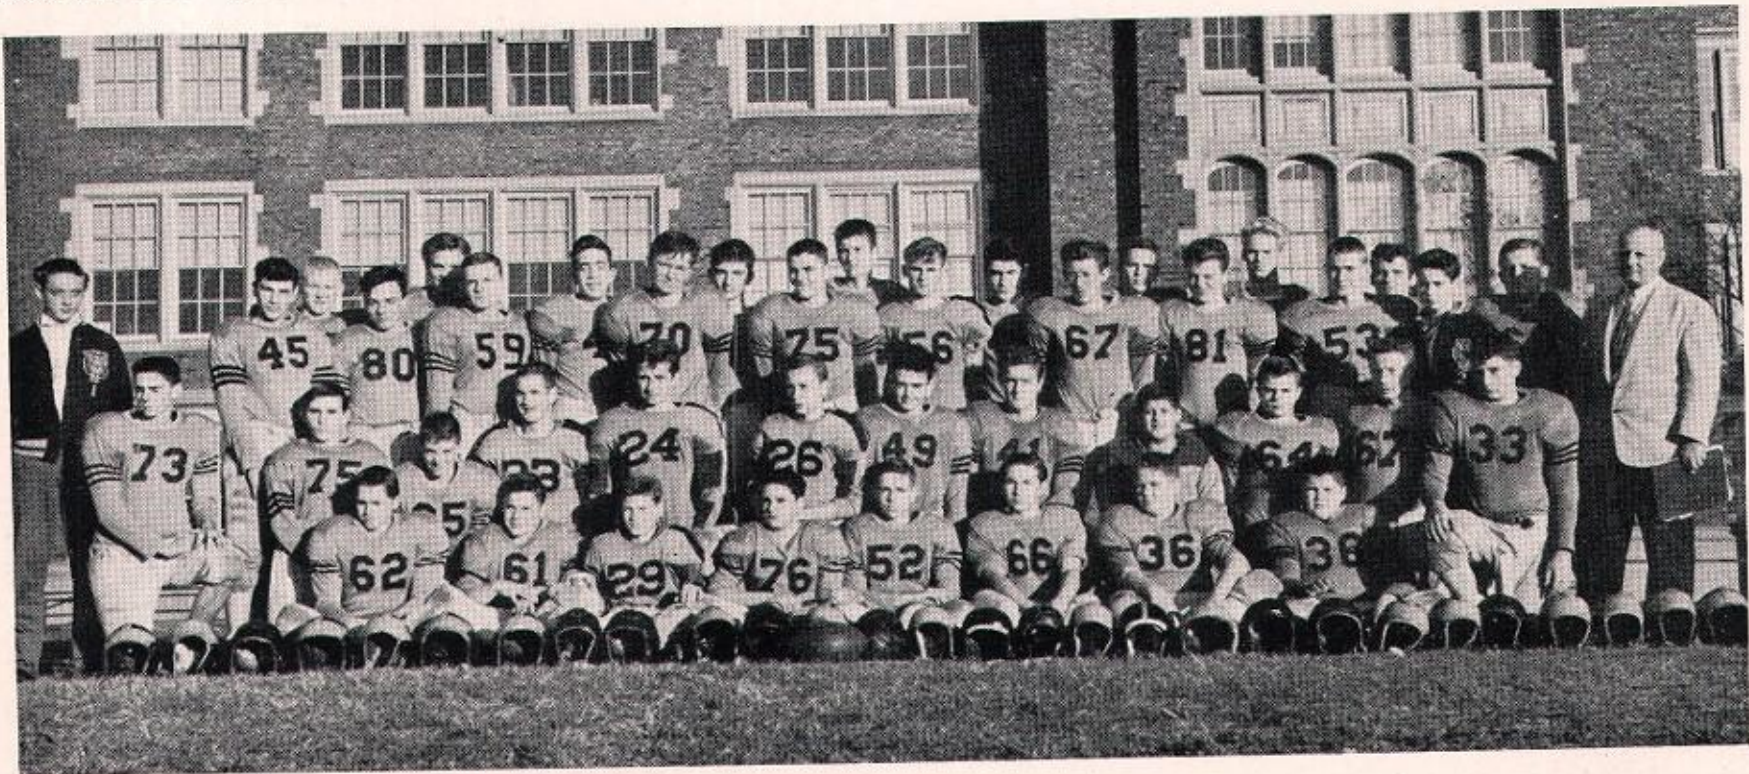

All in all, head coach Potter and line coach Cross did outstanding jobs.

The track squad through their fine showing during the indoor season, proved that they were to be rated a threat for the City outdoor title.

Coach Pleister's speedsters opened the season with a second in the high school division in the *Milwaukee Journal* Games. A disqualification in one event cost the Tigers a victory in the M Club relays at W.S.C. The Tigers ended their indoor season at the Madison West relays where they placed in the sprint, mile relay, and pole vault.

The team was built around nine returning lettermen and several underclassmen. Although the squad looked good at the season's start, the lack of weight men hindered the chances for a city championship.

Coach Paul Pliester had several good runners this year, but not enough depth for a really successful season. The outstanding runner on the squad was a junior, Stan Pollock. Speedy Stan won several first places during the season.

Captain Joe Kremarick and Jim Ladwig were the only senior letter winners. Coach Pliester says that if the underclassmen continue to improve and more boys come out next year, the thinclads' fortunes should improve.

WRESTLING

VARSITY

KNEELING: Manhoff, Sutter, Cira, Swquin, Captain Kelepouris, Jordan.

STANDING: Coach Fallon, Larese, Sutherland, Costa, John Braier, Walthers, Manager Pat Moore.

RESERVE

SITTING: Spath, Kuster, Yoerg, Rasmussen, Widmer, Packer, Renny, Bach, Burton, Johnson, McCarthy, Hanley.

KNEELING: Grittinger, Zedlar, Jim Braier, Murray, Stephens, Kurmis, Shire, Cade, Rosenkionz, Reese, Peterson, Kaltenbach.

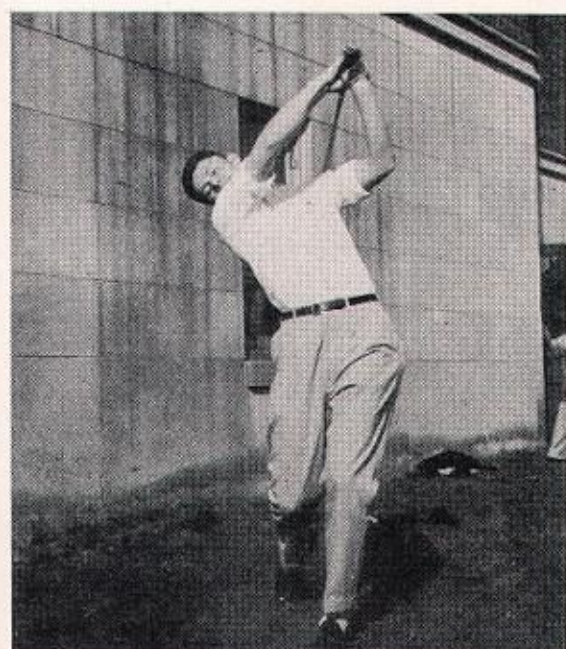

STANDING: Coach Fallon, Wyroluck, Salerno, Dahl, Plumitis, Niggemeir, Rohr, Schoenfeldt, Goshgarian, Mueller, Krieg, Monoger, Moore.

The Wrestling squad had its best season at East since the sport was introduced four years ago. Dale Sequin copped first place and a city championship at 128 pounds. Five members of the squad placed in the city meet.

Wrestling has proved to be a sport for boys of all ages and sizes. The weight classes start at 103 pounds and go up to the unlimited class which starts at 180 pounds.

Mr. Fallon believes that East has a good nucleus for next year, but he hopes that many boys will show up for the try-outs.

GOLF

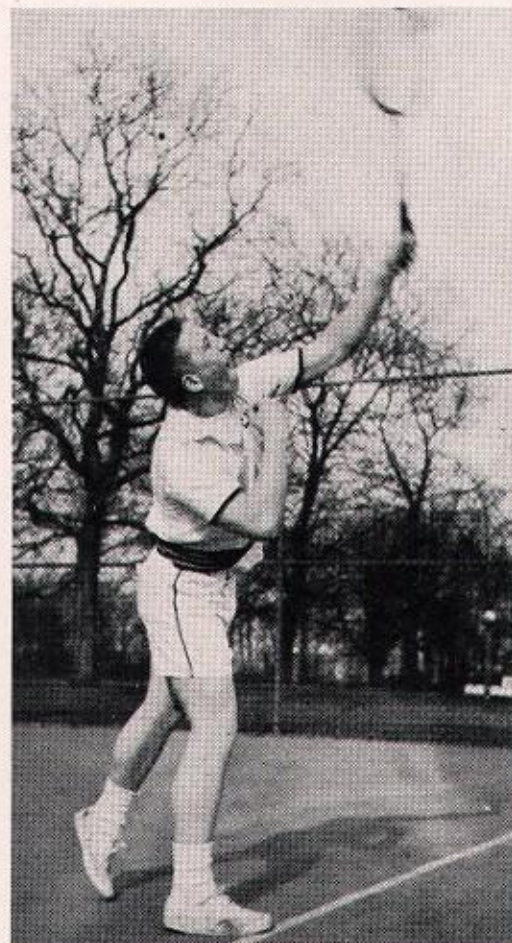

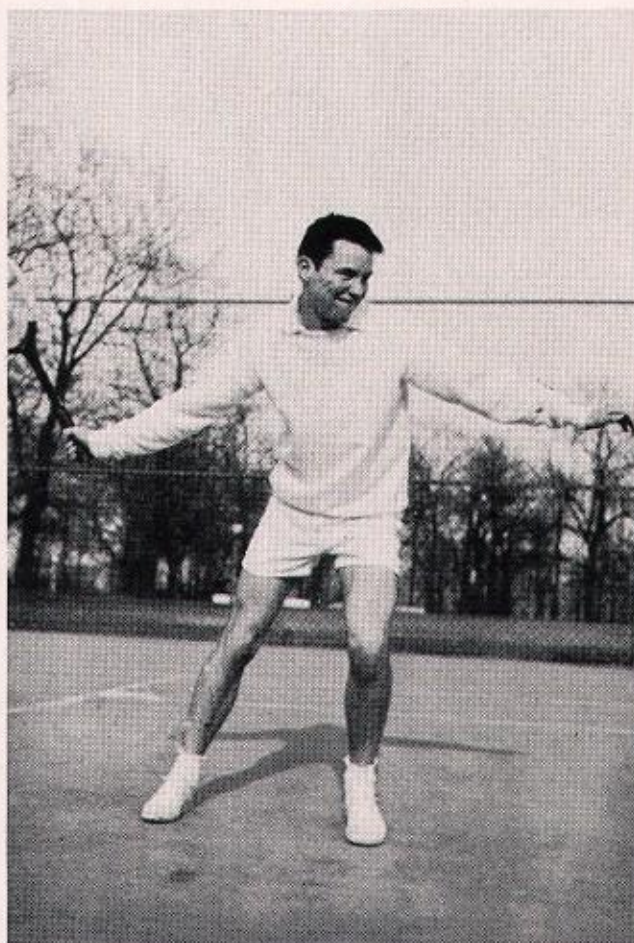

ROW 1: Larry Gregg, Don Fandry, Charles Collins, Richard Galen, Donald Bloedel, Dennis Schultz
 ROW 2: Coach Hafey, Lance Vilter, Dave Longbrake, Scott Sherman, Jon Malnekoff, Ted Ray, Alan Preston, Henry Albert, Steve Ramey, Tom Krueger

At the season's start the '56 Golf team seems to be one of the best at East in recent years. Judging by pre-season performances, the divot diggers should have little trouble with sand traps. Returning lettermen were senior Ray Sherman and junior Dave Longbrake. Coach Hafey is also expecting Tom Cook, Larry Gregg, Jon Malnekoff and Marty Bach to round out the team.

TENNIS

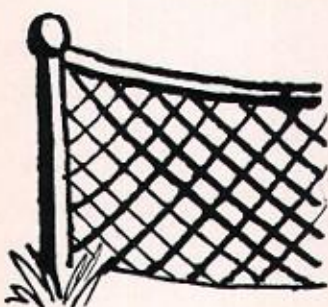

ROW 1: Al Libowitz, Ray Zwaagstra, Tim Hoyt, Dave Mellencamp, Andy Boesel.
ROW 2: Jim Ladwig, Jim Robinson, Guy Gibbon, Jim Mortonson, Bob Dahl, Fred Burton.

For the first time in years Coach Draves' tennis team was not a heavy favorite for the city title.

At the start of the season, East had no returning lettermen. However, the Racketeers boasted a young and enthusiastic team which should put the Tigers back on top soon.

Last season the tennis team finished in second place.

SWIMMING

THIRD ROW: Terry Tratnik, Bill Coats, Roger Bacon, Jim Mortonson, Tom Mueller, Captain Don Fliss.

SECOND ROW: Coach Draves, Jim Ladwig, Ray Zwaagstra, Eric Riemenschneider, Bill Rummler, Clem Rybacki, Bob Malzahn.

FIRST ROW: Guy Gibbon, Jim Robinson, Siegfried Treu, Ken Gresk, Ray Beecher.

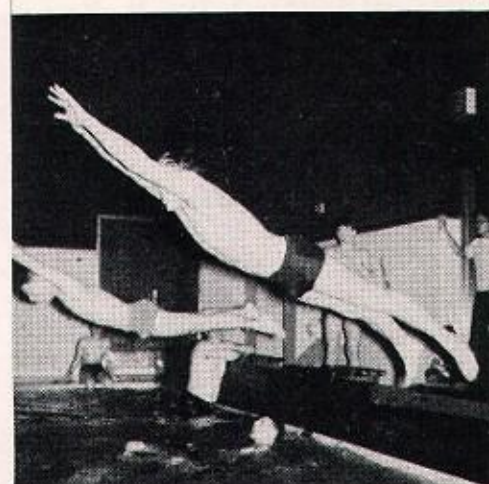

Once again swimming proved to be the outstanding sport at East. Coach Dave Draves, in his last year at Riverside, spurred the finmen on to the Little City Championship. It was the third victory in the little city in as many years for the Tigers.

Roger Bacon won the 50 and 100 yard free style races. Roger's clocking of 25.1 seconds in the 50 yard free style tied the meet record. Junior Jim Robinson swam to first place in the 200 yard free style, and Captain Don Fliss won the diving. However, the victory was brought about by the many second, third, fourth and fifth places won by the natators.

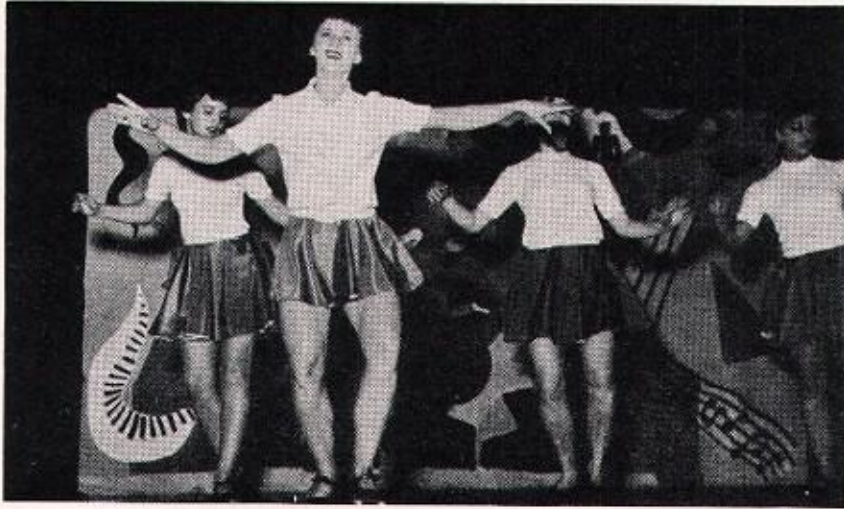

In the city meet East did not hold up quite as well, but Don Fliss won the city diving championship, and Jim Mortonson raced to second place in the 100 yard breast stroke.

Mortonson rounded out his outstanding swimming career at East by taking a third place in the state meet.

Because so many underclassmen will be returning, the Orange should remain a swimming power for years to come.

G. A. A.

Lucy Sutherland, Vice-Pres.; Joan Cammack, Pres.; Toni Roselli, Sec.;
Donna Eils, Treas.

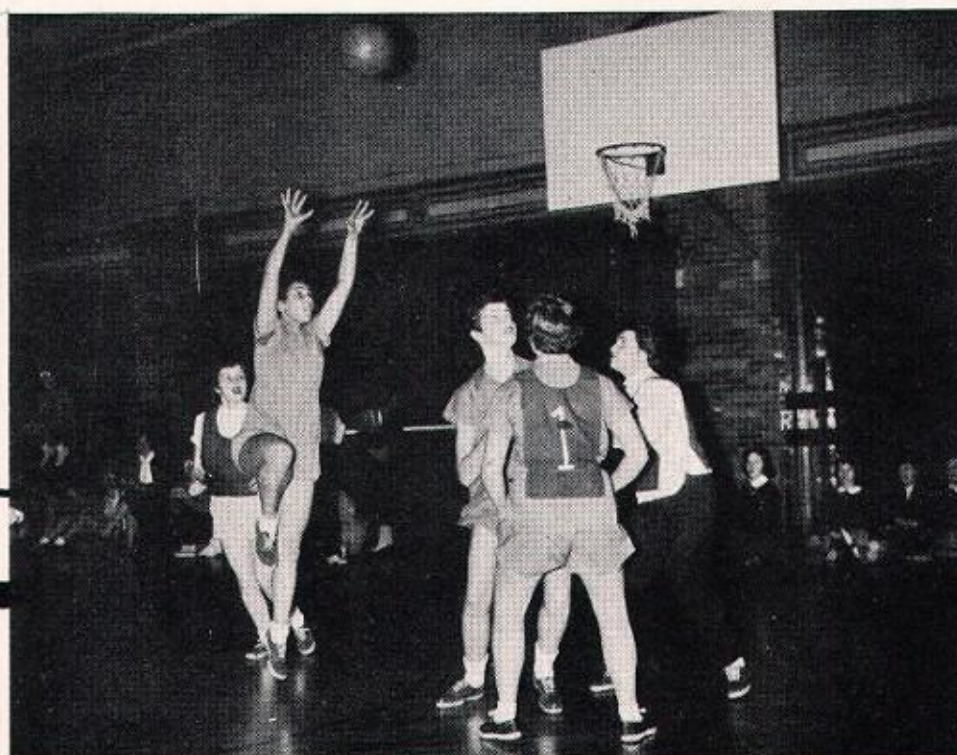

The Girls' Athletic Association, better known as G.A.A., provides a great variety of activities for its members. During the course of the year, the officers and members of G.A.A., under the guidance of Miss Green, have planned and carried out many successful tournaments and sports days. The tournaments are held in such sports as basketball, softball, volleyball, and in the individual sports of table tennis and badminton.

Riverside's G.A.A. was host to several schools for volleyball and basketball sports days.

The annual track meet was again a success with the senior team winning the relay event.

G.A.A. makes possible friendly competition between the members of all classes, and all members enjoy many wonderful sports.

A branch of G.A.A. is our girls' drill team of about seventy members. The performances given by the Rockettes at football and basketball games were enjoyed by all.

The cheerleaders under the keen eyes of Miss Green, have showed their skill and precision at school events again this year. We all agree that Miss Green has produced the finest squad of cheerleaders in the city. The squad members, who practice noon-hours and put in long hours of cheering at sports-events, deserve a great deal of credit. Whether we won or lost, the cheerleaders were out doing their part for our school.

EMBLEM CLUB

Stan Pollick, Vice-Pres.; Don Fliss, Pres.; Joan Cammack, Sec.; Dale Sequin, Treas.

The Emblem Club was one of the new clubs organized this past year. Its members are those boys and girls who have won letters in sports.

The first of its projects was raising money for the fall Athletic Dinner. Emblem Club was assisted in this project by the various other clubs in school. The organization also raised money to buy uniforms for the stage crew, and helped pay the expenses of the wrestling squad's trip to the state meet in Madison. The funds were acquired by putting on basketball, volleyball, and other exhibition games.

DANCE GROUP

Mrs. Kempski

Miss Green

During the year, Dance Group has contributed much to our school life. Under the direction of Miss Green and Mrs. Kempski, they performed with precision and style in many of their programs. The high points of this year included the Dance Symposium, Posture Day program, and "Rhythmical Capers." This group has received acclaim from many people outside Riverside as well as from the entire student body. Their main project for this year, "Rhythmical Capers," was a particular success, not only for Dance Group, but for the school, because it was the first "two-night" presentation in the school's history.

January Class Will—1956

We, the said class of January 1956, do hereby bequeath these, and all other affairs settled in individual wills, to the history of our wonderful Alma Mater.

We dedicate our wisdom to the Juniors, our fame and glory to the in-coming Freshman, and the world to the Sophomores.

The memories of our years at Riverside will long remain in our hearts as four of the most enjoyable and fruitful of our lives.

Robert Bauch leaves the ping-pong tournament to Nicky.

Joyce Burzenski leaves her seat in choir to her sister Nancy.

Myra Brest leaves one of her watches to Bernice in hopes that she'll be on time — for a change.

Marge Cleary leaves her pounding ability to "Bones" Evelyn in hopes that his head will recover from baton welts.

Jack Connell leaves school. Four and one-half years are enough for anyone.

Robert Davey leaves his saxophone to Dave Genrich so that he can pull up to second chair.

Carol Ann Debring leaves Mr. Holdorf to any harmony student who needs help in English.

Donnette Demman leaves her front row seat in the auditorium to her sister Anita, in hopes that she will enjoy it when she gets there.

Cathy Fisher leaves her place in Miss Green's daily gym class to her sister Carol.

Don Gauger leaves his good times in German class to anyone who can take it for seven semesters.

Patricia Gilmeister leaves her adding machine No. 25 to Marilyn LaPine.

Mary Glisczinski leaves a clock to Mary Mitchell, Janet Kosowski, and Loretta Glisczinski, so the three of them won't have to go flying down the hall one minute before the bell rings.

Charles Harris leaves his art talent to Henry Albert to use in counterfeiting three dollar bills.

Barbara Irwin leaves her uncontrollable laugh to anyone who wants it.

Marve Jordahl leaves his "girl friend" Tom Schulte to Bob Dahl.

Barbara Kaeler leaves her seat at the "Econ" to Carol Malick so she won't have to stand and eat her hamburger.

Tom Kaminski leaves his four years of high school to anyone who will enjoy them as much as he did.

George Kanz leaves his jaw throwing talent to Bill "Animal" Suszek.

Tom Kelepouris leaves the wrestling team to anyone who wants his head broken.

Arlene Kemnitz keeps Bob!

Sandra Lee Kendall leaves her bottle of peroxide to Georgene Novitski so that she may reclaim the name "Prox Ann."

Ronald Killian leaves his weather station to the unsuspecting students of the next applied science class.

Judy Krueger leaves Mrs. Adams to anyone who can be such a rowdy in speech.

Allan Mathews leaves his Scotch plaid belt and title of "Casual Eddie" to Larry Grapp.

Bev Metzruk leaves her compass, canoe paddle, stage coach pass, and outdoor cooking set to anyone who has the misfortune to move to Brown Deer.

Ann Miller leaves her seat in 423 to anyone who won't always fall asleep.

Ralph Niggemeier leaves his tuba technique and experience to John Walch, who needs it.

Harold Opperman leaves his trumpet to "cool" Jim Hutchinson so his desert boots can keep the beat.

Richard Paulini leaves his smooth sax technique to any new sax player in the band.

Fred Pawlik leaves 25 pieces of bubble gum to "Animal" Suszek, because he thinks it's "cool."

Jack Potter leaves his 13B seniority to Norman Meirits, because he has the intelligence to stick it out.

John Ramon leaves homeroom 422 to the incoming freshies for their four year stretch.

Richard Spott leaves the nicknames "Rocket Arm" and "The Stump" to George Frankovich and hopes the "23" does a better job than "22."

Darlene Steber leaves her tremendous scholastic record to her sister Karen.

Jeanette Tedeyski leaves her happy homeroom with her sad farewell.

Sara Tontinella leaves her 8:28 dash into homeroom to Angie Corrao in hopes that she can better the record.

Beverly Volk leaves her title of "Twinkle Toes" to Darlene Myzewski.

Joyce Whitcomb leaves her set of weights to Donna "Biceps" Eils so that she can carry on the job of putting away the gym mats.

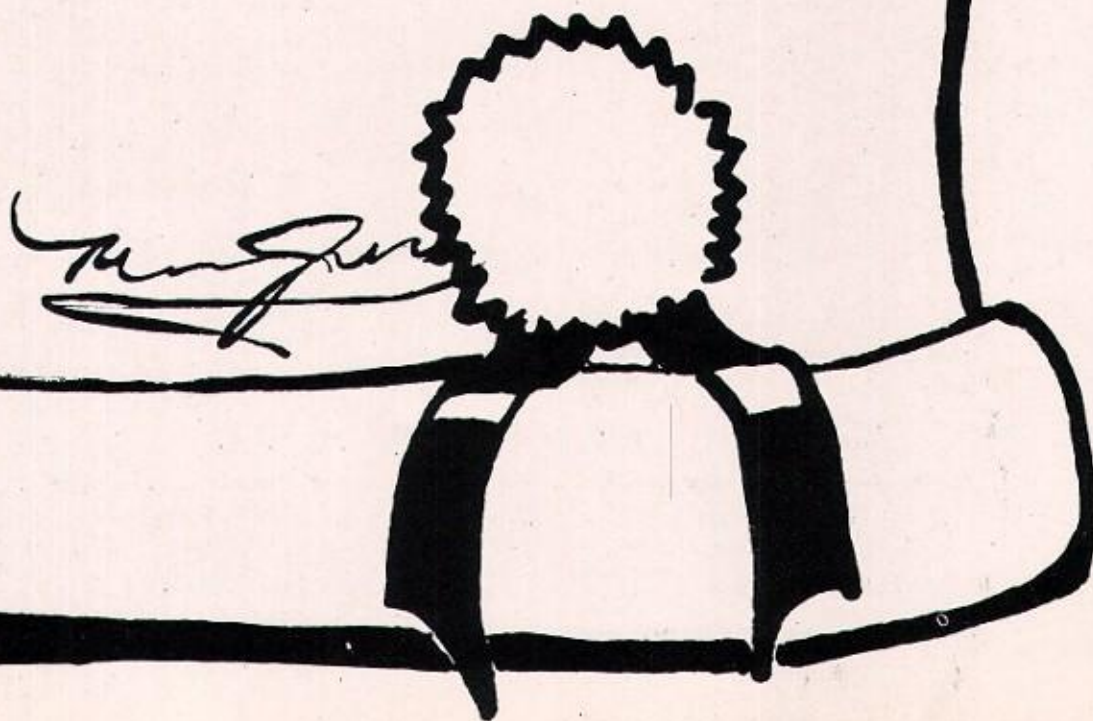

Dick Wilterdink leaves the job of leading those fun-filled grass drills to "Soft Hands" Sutter.

Terry Kelsey leaves his ability to attract girls to Jim Sutter. (That is flocks and flocks of girls.)

Homeroom 422 leaves to the 9B class the pencil sharpener, which it took them two years to get.

Ronald Westphal leaves his copy of "How to get along with the opposite sex" to anyone who can get past the title. (He didn't.)

Homeroom 218 leaves their morning lecture series to the incoming freshies.

June Class Will—1956

We, the June graduates of the class of '56, look back over our four fabulous years at Riverside High with a bit of nostalgia for that first frightening "freshie" year, the supreme glory of becoming a sophomore, the mixed emotions of becoming a junior, and now the wonderful, but oh so final, year as a senior. Soon, we will all be looking back to Riverside, our grand and glorious Alma Mater.

We sincerely hope we leave behind many single and varied traits and properties that will prove we have faithfully tried to uphold the traditions of our school and, that in years to come, the class of '56 will go down in history as the grandest, greatest, and most outstanding alumni to come out of Riverside.

And now, as we depart, we leave these famous traits and properties in our last will and testimony.

And so—"Gomba," Riverside and hello to the future from the June Class of '56.

Dale Majbowski leaves his "A" in chorus to anyone who can sing like "Dean Martin."

Joanne Mikolajewski leaves her big brown eyes that Dick LaRosa likes so well, to any "freshie."

Nancy Weinstock leaves all those "gone" parties to Kaye Rivette.

Roger Bacon leaves his webbed feet to that freestyle "doll," Tom Mueller.

Susan Bauers leaves her place in the lunch line to anyone who can find it.

Ray Beecher leaves his water wings to those who can't fly.

Linda Bell leaves her box of Kleenex to Jane Voss, so she can carry it around for awhile.

Pat Dibble and Joan Marsh leave all those cool parties to the football team of '56.
Sharlene Dittmann leaves Jim Turner the "honor" of walking alone after two "crazy" years.

Ken Haeberle leaves his two left feet and the two that Reinheimer left him to Jim Stilletti.

Ann Schiera leaves her place on the drill team to anyone who can make the 7:30 A.M. rehearsals.

James Schroeder leaves his comics to any red-headed Irishman.

Sandra Setlick leaves her temperamental locker to any "freshie" who watches "Mr. Peepers."

Ray Sherman leaves his golf clubs and a "deadly" jump shot to Jon Malnekoff.

Richard Smukalla leaves all his honors and rank of "Pfc" in Mr. Glatting's gym class to Ken Strelka.

Jerry Speh leaves his weights to any "freshie" who can lift them (he's getting too old).

Leif Storvik leaves, still wondering who "goofed."

Barbara Straszewski leaves her innocent look to Alice Sienko who will need it in all her next year's classes.

Marion Telander leaves half the home team to Carole Schubert, because she doesn't want to be selfish and keep them all.

Rudolf Thinschmidt leaves his suppers of sauerkraut to anyone who has an iron stomach.

Mary Tiedemann leaves the name of "Proxy" to Sandy Schroeder.

Jerry Walczak wishes to leave the school. Is it possible??!!

Roger Weber leaves Mr. Engen memories of homerooms 224, 205, and 209.

Nancy Wolfe leave the few brains she has to her sister Carol.

RIVERSIDE HIGH SCHOOL

FOREIGN EXCHANGE STUDENTS

Billi
SIBYLLE MEISTER

This year we have been most fortunate to have two foreign students in Riverside. Our Riverside family included a very "peppy" and "care free" girl from Munich, Germany. Sibylle Meister, who is 17, says her home town is "the cutest little city in the world," but she likes the United States and Riverside very much. She likes to be treated as an individual, and she thinks it is wonderful that everyone is so friendly and says "Hi."

Sibylle seems to like everything from reading to "real good modern jazz." English is her favorite subject and she enjoys the activities of French Club, Camaraderie, and Cue Club, in which she served as secretary.

Sibylle spent the year here in Milwaukee, on the American Field Service plan.

CHARLES STERNBERGER

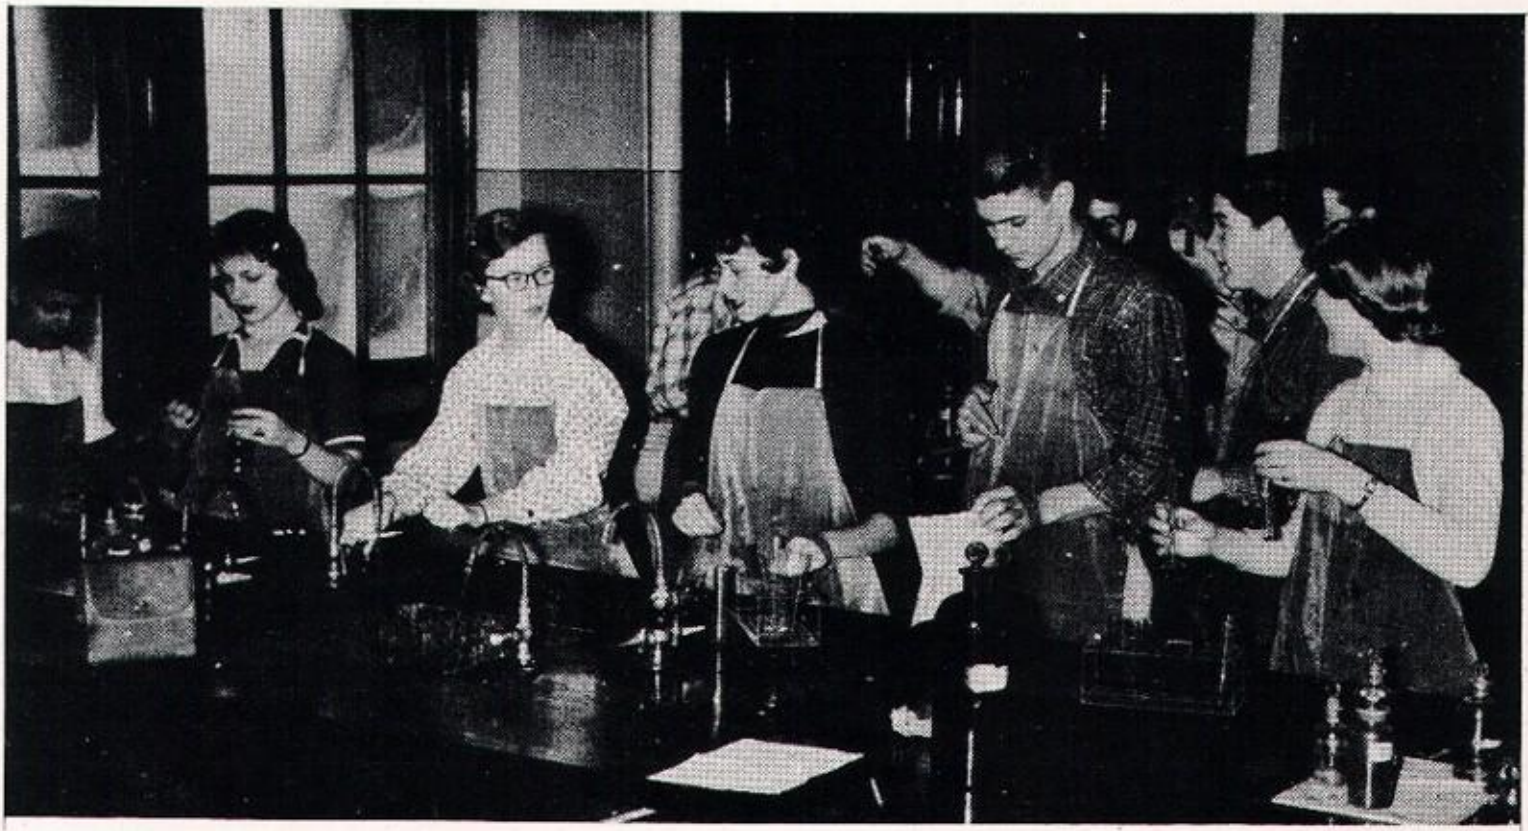

In our second year as members of the American Field Service, Riverside has had two students from Europe.

Charles Sternberger, whose home town is Notre Dame de Gravenchon, France, spent the year with us on this plan. Charles had many extra-curricular activities in school. He worked on the *Rocket* staff as photographer which took much of his time. Charles also participated in the activities of French Club and Cavaliers.

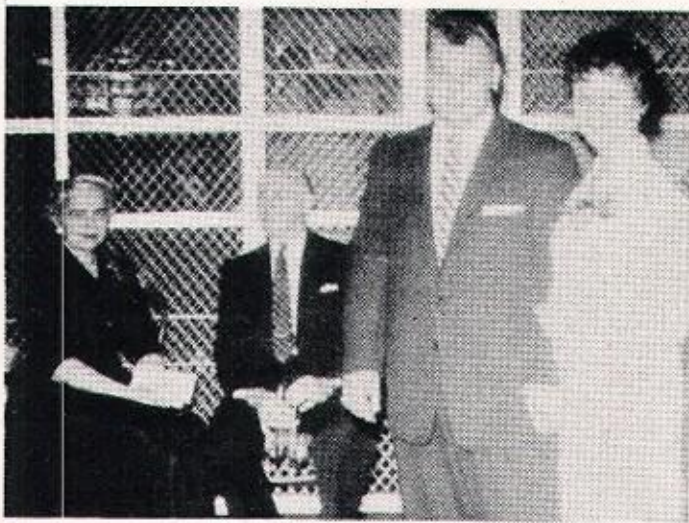

Although he kept a fine scholastic average, Charles has several outside interests. He has always liked the out-of-doors and has often gone camping with his family. This experience fits in with his plan to work in the field of forestry.

*You are good for
much - Thank you for
your help last winter
on the skating
ring.
I have a lot
of fun and
but if help to
you
